MILTON KEYNES BUSINESS

EXHIBITION

12th November 2026

CONNECT. COLLABORATE. **GROW.**

Brought to You by

MILTON KEYNES Chamber

Bringing together local businesses, suppliers and professionals for a day of networking, opportunities and growth.

Proudly Sponsored By

BPP LYCEUM EDUCATION GROUP

Introduction

From Our Group Commercial Director,

Sunny Singh

Firstly, a warm welcome to all the businesses who have taken the time to support, promote, and champion our fantastic local business community at the Milton Keynes Business Exhibition, proudly sponsored by BPP.

Today is a great opportunity for local businesses to come together, share best practice, connect with local providers, and celebrate the incredible businesses and people across Milton Keynes.

WE HAVE A JAM-PACKED SCHEDULE PLANNED FOR YOU TODAY:

08:30–10:00 **Coffee & Connect Networking**
11:00–12:00 **BPP Skills for Growth – AI and Workforce Capability**
13:00-14:00 **Speed Networking**

10:00-15:00 **Milton Keynes Exhibition**

I'd like to say a huge thank you to my colleagues at the Chamber who work tirelessly behind the scenes to make this event possible. I encourage all visitors to stop by our Chamber stand to ensure you're making the most of your membership benefits.

All that's left to say is… take a selfie, enjoy the day, connect with businesses, and join the conversation by sharing your posts.

And don't forget to take the time to speak with every exhibitor here today – each one represents our shared commitment to promoting the fantastic products and services right here on our doorstep.

Milton Keynes means business.

We help you grow the talent behind it.

One connected route from school leavers to senior leaders, so your people keep growing with you.

Start the conversation today.
Visit **bpp.com**

81% of FTSE 100 companies have professionals learning with BPP.

Our Headline Sponsor

BPP, part of Lyceum Education Group, helps employers build future-ready skills in an AI-driven world. From technology, data and cyber security to finance, law, leadership and HR, we develop talent through apprenticeships, qualifications, degree programmes and workforce training. Trusted by over 5,000 employers, we support more than 65,000 learners annually.

EXHIBITORS

Belair Coffee, With over 30 years of experience, Belair Coffee is a family-run business based in Milton Keynes, dedicated to delivering exceptional coffee solutions and outstanding service. We supply commercial coffee machines, premium ingredients, accessories, and expert technical support to businesses of all sizes and sectors.

Whether you're a small independent café, a busy office, or a large hospitality venue, we offer a carefully selected range of leading machine brands alongside our own expertly sourced coffee blends. Every installation, service, and maintenance visit is carried out by Belair's own trained engineers, ensuring consistent quality and reliability.

Belair Coffee - Your dedicated partner for everything coffee

Cranfield University's Bettany Centre for Entrepreneurship helps owner-managers of established UK SMEs see their businesses differently. Its programmes give them the time, space and outside perspective to build a stress-tested plan for sustainable growth, whatever their challenges. Delivered through practical workshops by entrepreneurs who have built businesses of their own, each course help owner-managers scale with structure and confidence.

EXHIBITORS

KJ Smith: Our team combines legal expertise with genuine compassion, guiding you through life changes with unwavering support. From Divorce and finances to Wills and Trusts, we are here to listen and represent you with clarity and compassion. We can give you personalised legal advice to protect your future. Let us help you move forward with confidence.

Trackzero: Carbon management shouldn't cost the earth.
TrackZero makes it easier to measure, report and reduce carbon emissions, meet customer and regulatory requirements and identify cost savings. Manage Scope 1, 2 and 3 emissions, supplier data and audit-ready reporting, with or without a consultant.

Trusted by 200+ organisations | Exclusive Chamber offer | Ask about our new Greenbook directory and getting listed.

Zinc Digital: is a full-service digital agency in Northampton, independently owned since 2004. Our 25-strong in-house team designs and builds websites and apps, runs SEO, paid search and paid social, and creates brand, content and motion work, with AI built into how we deliver. A Google Premier Partner and Northamptonshire Innovative Business of the Year in 2025 and 2026.

EXHIBITORS

The Cinema Society is the UK's leading provider of cinema-based incentives, promotions, and employee benefits. Our exclusive platform gives closed user groups significantly discounted tickets at major UK cinema chains and selected independents. Trusted across the NHS, public and private sectors, we help organisations attract, reward, and retain employees and members through a simple, high-value benefit everyone can enjoy.

THSP is an employee-owned Health, Safety, HR and Employment Law consultancy helping businesses across the UK create safer, stronger workplaces. Since 1992, we have supported more than 6,000 organisations with practical advice, hands-on consultancy, workplace training and ongoing support tailored to their needs. Our experienced team works in partnership with SMEs to protect their people, manage risk and meet their responsibilities, providing the confidence and expertise they need to overcome challenges, seize opportunities and build successful, sustainable businesses that last.

The University of Bedfordshire drives regional economic and social growth through impactful research, innovation and business support. As a leading University in AI innovation in the region - strengthened by Luton AI - we help organisations boost productivity, skills and competitiveness. Our Research & Innovation Service empowers business growth through collaborative research, consultancy and knowledge exchange, connecting partners with academic expertise. Working across sectors, we support regeneration, advance solutions to real-world challenges and create partnerships that deliver measurable, long-term impact.

EXHIBITORS

123 Internet: Your New Digital Marketing Team! We specialise in crafting stunning websites, optimising your online presence with top-tier SEO, and creating engaging social media campaigns that resonate with your audience saving time and money!
Our expert team works together to drive your brand's success in the digital world. With us, you're not just getting a service; you're gaining a marketing partner dedicated to elevating your business. Ready to grow? Let's make it happen!

Al's Pals: provides emotional support, companionship and a listening ear for people affected by cancer and their families. Its volunteers offer support in hospital, at home and in the community across Bedfordshire, Buckinghamshire, Hertfordshire and Northamptonshire. Inspired by Alan Dumbell's experience of cancer treatment, the charity helps people feel less alone, offering understanding and reassurance when they need it most.

Ballyhoo PR: is a boutique PR and copywriting agency based in Northamptonshire.

Working closely with small to medium-sized businesses (SMEs), the team of four ex-journalists and magazine editors act as a virtual PR and Comms team for their clients, working on a wide range of campaigns and projects.

From full PR campaigns and drafting press statements to writing website content, daily social media posts and monthly blogs as part of a bespoke plan.

EXHIBITORS

dbfb, We're an independent telecoms provider based in Northampton, specialising in connectivity, telephony, and IT solutions for businesses of all sizes. We listen first and deliver clear, jargon-free technology across mobile, broadband, Wi-Fi, IoT, and public sector services. Whether you're an SME or a large enterprise, we build flexible solutions around what you actually need.

Digital Origin: helps businesses stay connected, secure and productive through managed IT, cyber security, connectivity, voice and digital display services. Based in Towcester, its team brings together technical expertise and responsive support to simplify technology, reduce disruption and support growth. From cloud solutions and disaster recovery to everyday IT support, Digital Origin provides one point of contact for business technology.

Ekco Cloud & Security helps mid-market organisations run, protect and evolve their IT with confidence. We specialise in supporting organisations in regulated, high-trust sectors, delivering cloud, cyber security, managed services, data protection and AI solutions. Microsoft-centric and customer-led, we combine deep expertise with practical support to help organisations modernise securely and manage risk.

Kents Hill Park: located in Milton Keynes, provides a welcoming and professional environment for conferences, training and events. Supporting organisations across a wide range of sectors, we offer flexible spaces and well-equipped facilities designed to help you achieve your meeting and development goals. From small meetings to large-scale events for 600 people, we can cater for both residential and day delegates with ease and expertise.

EXHIBITORS

Everywhen are one of the UK's leading independent insurance brokers and risk management advisors, serving our local communities by offering a professional and friendly service from our offices in Milton Keynes for over 20 years.

Looking after the insurances of businesses active in many different sectors, SME's to Larger Corporates and taking the time to understand their unique business risks. Through our trusted local team and our network of experts you will have access to an extensive range of independent, tailor-made, trade-specific insurances, claims management and risk governance programmes

---

Franklins Solicitors LLP is a full-service law firm with offices in Northampton and Milton Keynes, supporting individuals, families and businesses to overcome challenges and plan ahead with confidence.

Since 1982, we have provided clear practical advice with a personal touch. Our Law for Life ethos reflects our commitment to long-term relationships and trusted support at every stage. Rated Excellent on Trustpilot, we advise across Corporate and Commercial services, Dispute Resolution, Commercial Property, Employment Law, Conveyancing, Wills, Trusts and Probate and Family Law.

Gemini Rail Services: is a leading UK provider of rolling stock maintenance, repair, refurbishment and modernisation for passenger and freight operators. From our Wolverton Works facility near Milton Keynes, the company delivers projects nationwide. Employing over 450 skilled people, Gemini supports safe, reliable rail operations through technical expertise, innovation, quality service and investment in skills, partnerships, and sustainable growth.

EXHIBITORS

HSBC UK serves over 14.75 million customers across the UK, supported by 24,000 colleagues. We offer a complete range of retail banking and wealth management to personal and private banking customers, as well as commercial banking for small to medium businesses and large corporates.

KCI, Based in Daventry, KCI Complete Office Solutions provides businesses across the UK with everything they need under one roof. From commercial fit-outs, office refurbishments, and facilities management to bespoke workwear, office furniture, signage, branding, design and print, our experienced team delivers tailored solutions that transform workplaces, strengthen brands and support businesses from concept to completion.

KDM Events is a forward-thinking corporate events management company, trusted to deliver 5* service across the UK. An experienced event organiser, we're proud to have won 'Best Event Provider' at the prestigious M&IT Awards 7 times! We manage over 1,000 team-building events and conferences each year so from single activities, to themed parties, to managing conferences, we do it all.

Autotech Group: is an award-winning specialist consultancy driving innovation across the automotive and wider mobility sectors. Through four brands, Recruit, Training, Academy and Connect, we deliver bespoke people, skills and technology solutions to tackle the industry's most urgent challenge: the growing workforce shortage. Recognised with multiple accolades in the past 12 months, we help businesses find talent and build capability.

EXHIBITORS

www.metromerchandise.co.uk

Milton Keynes Chamber of Commerce: helps businesses connect, grow and be heard. Through networking events, training, expert advice and promotional opportunities, the Chamber supports organisations of all sizes. Its membership brings together a supportive business community with access to practical services, international trade support and valuable savings, while championing members' interests and strengthening the voice of business across Milton Keynes.

Willen Hospice: provides free, specialist care for people living with life-limiting illnesses in Milton Keynes and surrounding areas. Its teams support patients and their loved ones through hospice care, home visits, wellbeing services and bereavement support. As a local charity, it relies on donations, fundraising, volunteers and business partnerships to continue delivering vital, compassionate care when families need it most.

EXHIBITORS

Milton Keynes College Group is the leading skills provider in Milton Keynes, a national provider of prison education and a civic anchor institution committed to shaping Fairer Futures for All.

We support students at every stage of life through a broad range of education and training opportunities, including study programmes, A Levels, T Levels, apprenticeships, professional qualifications and Higher Education. We also deliver education in prisons across England, helping individuals develop the skills, knowledge and confidence to progress into employment and positive futures.

MK Marking Systems Ltd: for more than 40 years, MK Marking Systems Ltd has been the go-to for quality signage solutions in Milton Keynes. Since 1985, our team of experts have designed, manufactured and installed a wide range of custom signs, helping thousands of businesses stand out from the crowd. Our expertise covers everything from vehicle graphics, window graphics and exterior signs to corporate branding, wayfinding and full directory systems. Our signage maintenance services help ensure signs remain safe, secure and in good condition, while continuing to present a professional image for your business.

Robinson Management Services (RMS): is a Milton Keynes-based consultancy helping organisations achieve, maintain and improve ISO management systems and wider compliance. We support businesses across quality, environmental management, health and safety, information security, energy, sustainability and carbon management. Our practical, hands-on approach turns complex standards into effective business systems that deliver real value. From initial gap analysis and implementation through to internal audits and ongoing support, RMS helps organisations build robust, efficient and continually improving management systems with confidence.

EXHIBITORS

Premier Solicitors: provides practical legal advice for individuals, families and businesses across the UK. Based in Bedford, the firm offers expertise in commercial property, employment law, litigation, conveyancing, wills, probate, family law and immigration. Its approachable team focuses on personal service, clear communication and competitive pricing, helping clients protect their interests, resolve challenges and plan more confidently for their future.
