

# Because every great business needs a great Business Plan

It's a simple fact – businesses with a good business plan framework do better than those without one. PlanningCLUB is a comprehensive growth programme for business owners, new or old, who want to:

## Create A Business Plan With PlanningCLUB

Significantly grow profits

Clear actions & strategies to achieve your goals

Get your business where they want to be

Enjoy your business again

Obtain funding through banks or investors

Have a workable exit plan

Turn personal dreams into reality

Build trusted teams

# Key benefits

of attending a two day  
**PlanningCLUB** workshop,  
run regularly at a  
location near you:

Gain laser-sharp clarity in to building a self-sufficient business that works without you.

Learn what drives your business toward greater revenue, profits, cash flow and success.

Run a business which grows your salary, wealth and lifestyle options.

Leave the workshop with a comprehensive live (Cloud based) business plan, predictive financial growth, and powerful insights into what drives the success of your business.

## During **PlanningCLUB** workshop your **ProfitPlus** planning expert will:

Help you to develop a roadmap to implement the improvements detailed in your plan.

Show you how to update your plan, improve the numbers, set 90-day goals, work with more than 1,100 business strategies.

Help you get exceptional results from your business.
