Top 10 Tips for. ShortstayMK

Seeking corporate accommodation, here are our top 10 tips when deciding what to book. ShortstayMK provide executive, fully furnished accommodation ranging from a studio to 7 bedroom prestigious homes.

Shortstaymk's Top Ten Tips

1. Reduce your company's business business travel costs by sharing a serviced apartment (2-3 bedrooms) or a serviced house (4-6 bedrooms) with colleagues. Nightly rate can be reduced to as little as £30 plus VAT per guest without compromising on quality.
2. Set up a corporate account with your serviced accommodation provider in order to get a discounted corporate rate.
3. Think about the type of accommodation you want and choose the most suitable one for you. Do you need a hotel, a serviced apartment, bed and breakfast or something else? Only pay for what you need.
4. Ask if you can get a reduced rate by not having the weekly maid service.
5. Make sure there are no hidden extras in the nightly rate you are paying. For example is car parking and wi fi included at no extra cost.
6. Do you want to self-cater, wash and iron your own clothes, work from the accommodation? If that's the case then serviced accommodation is probably the best solution for you.
7. Do you want to save the hassle, time and cost of booking hotel rooms weekly? Why not book long term serviced accommodation instead?
8. Do you want your post collected for you, administrative work done for you, access to office facilities on your door step, ironing etc? Let your serviced accommodation provider handle all of that for you.
9. Do you simply want to have a home from home when staying away on a long term project or contract? Serviced accommodation gives you all of those creature comforts you get at home as well as more than twice the space of a hotel bedroom.
10. Do you want reassurance that your serviced accommodation provider runs a professional business? Make sure the company is not only a member of the Association Of Serviced Apartment Providers (ASAP) but also accredited by them based on a rigorous on site annual audit.
